

Farquharson Action Survey/Questionnaire

The following survey is design to help us make decisions regarding possible production of Wyvrn Farquharson.

Please print this survey/questionnaire and mail to the address listed below after completion. It is not necessary to answer all questions...just those that apply to you. Your help will be most appreciated.

1. Would you prefer a Farquharson or a Ruger #1 if the pricing were competitive?
2. Would you prefer a kit, a semi finished action, a finished action or finished firearm?
3. How much would you expect to pay for a Farquharson? Please specify kit, semi-finished or finished action or finished firearm.
4. Would you prefer a set of plans so you can build your firearm(s) from scratch?
5. Would you prefer a stainless steel or 8620 alloy action?
6. For finished alloy steel actions/firearms, would you prefer blued, or color case hardened finish?
7. What caliber(s) would you prefer?
8. Would you prefer fixed or interchangeable barrels?
9. Would you be interested in a double-barreled action? This is relatively easy to accomplish. The engineering for this has already been completed.
10. Are you interested in rifles, pistols or combination firearms?
11. Would you prefer oval or teardrop grip caps?
12. Would you prefer a simple butt plate or recoil pad?
13. What type of grips do you prefer (classic rifle, thumbhole, pistol grip or straight)?
14. Do you prefer open sights or scopes?
15. If you wish to be placed on our mailing list, please provide your name and current email address.
16. Do you have any preferences not specified? If so what are they? Feel free to list those items (use back of page or extra pages if necessary).

Mail to: WYVRN CSTGS LLC, P.O. Box 834 Trinidad, CO 81082.

Thank you in advance for your response.
